DISCLAIMER FOR NEW BREED AFRICA ARTISTS DATA BASE

- NEW BREED AFRICA can only provide for artists as many opportunities for performance to artists as are available and as they see the need according to nature and genre of music/arts.
- NEW BREED AFRICA is not to create inexistent platforms for artists or struggle to put artists on platforms they have no access to or struggle to put an artist on all NEW BREED AFRICA platforms. This is because NBA works for the promotion of many artists and not just the promotion and exposure of an individual on every platform she is directly or indirectly linked to in terms of organizing, consulting, animating etc. both internal and contracted
- NEW BREED AFRICA will not be held responsible for any clashes with your label and or management if you register without their knowledge. In this wise, we advise your team looks at these documents, agrees and signs.
- NEW BREED AFRICA is not responsible for failure for an artist to pass on a designated or negotiated show due to uncontrollable situations. Though we guarantee respect and a fair treatment of our artists.
- NEW BREED AFRICA is in no way taking the place of your management or record label over your career but only play the role of exposure and promotion of artists on their internal and external platforms or recommending to shows as contacted.
- NEW BREED AFRICA is ready to work this out only with artists that respect societal ethics and morals, decency, integrity and dignity of humanity. That is to say that we will only work with artists with a positive impact and an exemplary life in society, whom we can freely and proudly recommend without any fear of ruining the dignity of our vision and mission.
- Registration is a nonrefundable fee of 5000frs for all artists renewable yearly.
- Artists are required to fill a manual form with any approved NEW BREED AFRICA executive member and pay in the money. Then check your email addresses for confirmation or call and or write the office of NEW BREED AFRICA for notification and confirmation
